

# Megan Ang

## Coms & Psych Undergrad

A dedicated undergraduate student at the University at Buffalo, pursuing a double major in Communications and Psychology. My research interests lie in unraveling the complexities of developmental growth and its profound influence on the initiation and escalation of alcohol and substance use. I am firmly committed to my aspiration of pursuing postgraduate studies in clinical psychology, aiming to further develop my research skills and make substantive contributions to the ever-evolving realm of knowledge in this field.

## Experience

### Aug 2023 - Present

#### Psychology Honors Program & Undergraduate Research Assistant

- Successfully gained admission into the competitive Psychology Honors Program, reflecting a strong academic record and commitment to scholarly pursuits.
- Completed CITI & in-person trainings in laboratory animal care and management.
- Engaged in research activities as a member of a faculty advisor's laboratory, which involved performing comprehensive literature reviews, actively participating in weekly meetings, and engaging in in-depth discussions pertaining to diverse topics including pharmacology and maternal behavior.

### June 2021 - Present

#### Wedding Editor | Bridelope Productions

- Proficiently edited wedding photographs for a prominent wedding company, ensuring the highest quality of visual output and enhancing the overall aesthetic appeal of the images.

### Nov 2019 - Feb 2020

#### Independent Fashion Photoshoot Project

- Conceptualized the entire fashion photoshoot project, aligning it with the overarching theme and vision.
- Utilized professional photography equipment and techniques to capture high-quality images that embodied the desired aesthetics.
- Showcased the final portfolio at Temasek Polytechnic, garnering positive feedback and recognition from peers and mentors.

### Apr 2019 - Oct 2019

#### Photography Intern | Calibre Pictures

- Assisted lead photographers in setting up and executing diverse photoshoots, including portraits, events, and commercial projects.
- Managed client interactions and inquiries, ensuring a positive experience and fostering client relationships.

### Jun 2018 - Dec 2018

#### Event Marketing Specialist | ASUS Technology

- Utilized social media, email marketing, and influencers to create excitement for ASUS events.
- Captured event highlights through compelling photography, documenting the atmosphere and key moments.
- Assisted in campaign video production, handling tasks from concept to equipment operation.
- Managed on-site event logistics, ensuring flawless execution, positive feedback, and smooth vendor interactions.

## Feb 2019 - Mar 2019

### Event Photographer | Estée Lauder Breast Cancer Campaign

- Photographed Estée Lauder's annual Breast Cancer Campaign events, including charity runs, fundraisers, and awareness workshops, capturing moments of solidarity, strength, and hope.
- Collaborated closely with event planners, PR teams, and brand ambassadors to ensure alignment between photography objectives and campaign messaging.
- Leveraged post-processing skills to enhance images and maintain a consistent visual style across all campaign-related content.

## May 2018 - Oct 2019

### Creative Intern | Six More Days Pte. Ltd.

*A Singapore-based creative agency specialising in branding and digital marketing*

- Collaborated with Mr. Daryl Aiden Yow to devise creative photoshoot ideas that aligned with his brand and resonated with his 126K followers.
- Partnered efficiently with a fellow intern on multifaceted video production tasks, encompassing storyboarding, concept development, and execution.
- Key role in video production, overseeing camera, lighting, and sound during shoots for seamless outcomes.
